

# NEW UTILITY BILL PAYMENT SYSTEM

You asked, we Listened!

Your Payment is processed in **REAL TIME** to your Account!

## Pay Automatically Every Month with a Check or Credit Card

You can now setup **Auto-Pay** to automatically pay your bill each month using your credit card or bank account, with no transaction fee using our New Customer Portal.

## Pay Your Utility Bill by Phone – 1-866-419-2896 *beginning April 1<sup>st</sup>!*

Call **1-866-419-2896** 24x7 to pay your utility bill by phone using Visa debit/credit, MasterCard debit/credit, Amex, Discover cards or a check. You will need your **Customer Number and Pin Number** to pay by phone.

## Make a One-Time Payment with Credit/Debit Cards or Checking / Saving Account

Make a one-time payment on your utility bill. Simply enter your account information, choose your preferred payment option between checking account, credit card and other methods, and then complete the transaction.

## Conveniently manage multiple Accounts under a single Username & Password

Pay multiple utility bills with single login: setup Auto-pay and use multiple payment types stored securely in your customer wallet. Billing, Usage Graph & Payment history displayed for each account.

## Additional Payment Methods now available:
